Rumney has been registered at the state civil defense office in Concord as an organized Civil Defense town. Headquarters are at the Rumney Grange Hall and fire station with sub-stations in other parts of town.

The state held an Alert test and school evacuation test in June. Our warning comes in over the red network and telephoned to West Rumney for their siren. Our school was evacuated in an orderly manner in two and one-half minutes.

A nation-wide Civil Defense Test took place July 12, and the chairmen of the different departments reported at the fire station. Our police department handled the traffic and the fire department stood by with the trucks running.

A state school evacuation was held on Dec. 6. The busses came to the school at a set time and the children were taken home as quickly as possible.

The Fire Dept. and Aux. asked for a demonstration of radio mobile units and as result two have been ordered. These cost \$400 and are being paid for from the proceeds of the Fireman and Aux. dances.

The surplus list has enabled the Fire Dept. to purchase a number of articles at a reduced cost.

The Air-Raid-Take-Cover alarm is a continuous wailing of our siren. When you hear this please "take cover" and listen for instructions on your radio until the "all clear" sounds, which is one blast.

Please do not use your telephone during an Air-Raid-Alert.

Thank you.

MRS. DORIS E. TUNNELL,
Civil Defense Director for Rumney

FOREST FIRE PREVENTION IS EVERYBODY'S BUSINESS

New Hampshire faces a continuing challenge in its forest fire problem — 97 per cent of all our forest fires being man-caused and preventable — a serious indictment of interest in our own welfare and that of our neighbor. Both the State and the towns are striving diligently to effectively meet the challenge through education of the public to the threat fire presents to our woodlands; by maintaining a well trained corps of wardens and deputy wardens in every community and by providing ample opportunity for all who wish to dispose of unwanted waste materials. Careless and perverseness, however, continue to be the big hurdles.

Thoughtlessly discarded lighted cigars, cigarettes and matches from moving vehicles, by hikers, hunters and fishermen; careless burning of debris during hazardous periods in dangerous locations; illegal burning; improperly extinguished debris, camp and cook fires — all result in serious loss of property, disruption of industry and farm work and unnecessary expenditure of town and state funds.

To meet the challenge successfully, the state, your community and your local forest fire warden need YOUR thoughtful and cooperative effort — The rules are simple.

1. Don't burn at home — use your town dump and avoid all fire problems.
2. If you do burn, be sure to secure a written permit from your local forest fire warden when the ground is not covered with snow. Permits are required for open debris fires, home incinerators, outdoor fire places and camp fires. Your warden is instructed to permit burning if weather conditions, site and type of burning are safe.

3. Be sure that all lighted material — cigars, cigarettes and matches — are completely out before discarding them. Use ash trays in automobiles.
4. Make certain that your debris, camp and cook fires are completely out before leaving them.
5. Insist that others be careful and comply with burning requirements.
6. Call the warden promptly when fire is detected and aid him to extinguish it.

REMEMBER — the fire you prevent might be the one which could burn YOUR property.

REMEMBER FOREST FIRE PREVENTION IS
EVERYBODY'S BUSINESS and our MOST
IMPORTANT UNDERTAKING

LIBRARIAN'S REPORT FOR 1957

Number of books in Library, Jan. 1, 1957	5,130
Number of books purchased	95
Number of books given	109
Federal, State and Town books	4
Number of books withdrawn	87
Adult books borrowed	2,349
Juvenile books borrowed	2,082
Magazines borrowed	727
New borrowers	31
Number of borrowers	322
Average daily patronage	41.3
Reference questions	462

Donors of books and magazines are as follows:
Mr. and Mrs. Reginald Earl, Mr. Jesse Barney, Mrs. Wm. Hutchins, Mrs. Harold Webster, Jr., Mr. Merle Bixby, Mrs. Marion Learned, Mrs. Dulcie Harris, Mr. Carl Hall, Mrs. George Hughes, Miss Mary Abbott, Mrs. Robert Munkittrick and Mrs. Frank Woodward.

The number of reference questions is steadily growing. For this reason we have purchased more reference books than ever before. This year we have built up our science section and bought new books on auto mechanics, handicraft and hobbies, as well as books to help the high school students in their home work. A list of these books may be seen at the library. Unfortunately, we have received notice that book prices, already high, are to be higher beginning January, 1958.

Due to the great need of the high school students for more hours for reference work, we found it necessary to be open Wednesday nights from October to May. This has proved to be a great help to the students and will be continued.

THE STATE OF NEW HAMPSHIRE

To the Inhabitants of the School district in the town of Rumney, New Hampshire qualified to vote in district affairs:

You are hereby notified to meet at the Town Hall in said district on the 8th day of March, 1958, at 7:45 o'clock in the evening to act upon the following subjects:

1. To choose a Moderator for the coming year.
2. To choose a Clerk for the ensuing year.
3. To choose a Member of the School Board for the ensuing three years.
4. To choose a Treasurer for the ensuing year.
5. To determine and appoint the salaries of the School Board and Truant Officer, and fix the compensation of any other officers or agent of the district.
6. To hear the reports of Agents, Auditors, Committees, or Officers chosen, and pass any vote relating thereto.
7. To choose Agents, Auditors and Committees in relation to any subject embraced in this warrant.
8. To see what sum of money the district will raise and appropriate for the support of schools, for the salaries of school district officials and agents, and for the payment of statutory obligations of the district, and to authorize the application against said appropriation of such sums as are estimated to be received

from the state foundation aid fund together with other income; the school board to certify to the selectmen the balance between the estimated revenue and the appropriation, which balance is to be raised by taxes by the town.

9. To see if the School District will vote to employ a helping teacher as part of Supervisory Union No. 48 in accordance with Chapter No. 186, Section No. 24, of New Hampshire School Laws, and to raise and appropriate a sum not to exceed \$390.00 for Rumney's share.

10. To transact any other business that may legally come before said meeting.

SUPERINTENDENT'S ANNUAL REPORT TO THE RUMNEY SCHOOL BOARD

Hereby submitted is my annual report as your superintendent of schools:

I am sure that the school district is interested in knowing that the routine in your new school building has now been established and it is my opinion that the Rumney schools have never operated as well or as efficiently as they are now. You have a fine staff of teachers who work well together. The pupils also are benefiting from living, working, and studying together.

Our staff now includes Miss Nellie Ashley as principal, Mr. Seth O'Shea, Mrs. Amy Merrill, Mrs. Dawn White, Miss Mary Russell, Miss Ruth Russell and Mrs. Arline Wilson, music supervisor. Mr. O'Shea made a contractual agreement with us to teach in Rumney when he returned from the service and Mrs. Zaneta Collins substituted for him until he was released. Mrs. Marie Atherton retired in June and Mrs. Dawn White, a graduate of Plymouth Teachers College in 1957, was employed to replace her.

It is very gratifying to see an extra-curricula program developing in your school and I am sure as time goes on, it will expand.

Your lunch program under the supervision of Mrs. Cross is another fine addition to your school and I think the numbers we serve indicate its success. Several fine compliments have been received from the State level concerning your program. At some future date you perhaps should consider another paid helper to assist Mrs. Cross.

We now have most of the books, supplies, and equipment we need. I am recommending and intend to introduce, as soon as the budget permits, a correlated science series for Grades 2 through 8. When the social studies books wear out, I would like to replace them with a new, revised edition that more nearly meets the State Social Studies Curriculum Guide.

Undoubtedly you are also interested in the article in your school warrant regarding a Helping Teacher. Several years ago the New Hampshire Legislature made it legal for some New Hampshire school districts to secure the services of a specially trained teacher to work with other teachers and children to make school systems more efficient. It was agreed that if such a person of whom the school districts approved were employed, the state would pay \$2500 toward the salary of this person. The remainder of the salary would be prorated among the several towns in the supervisory union on the same basis as other union expenses. Supervisory Union No. 48 has now become eligible for this service if it is desired. One law relating to this matter states that certain designated unions may employ a helping teacher so-called in accordance with Chapter 186, Section 24, of the New Hampshire School Laws when the majority of districts in said union vote for it in their annual meeting and towns so voting include at least 85% of the pupils in said union. If this article is voted in the affirmative, it merely gives the Supervisory Union Board power to act and money to act with if they desire and the district approves. The definition of a Helping Teacher is as follows: Helping Teacher, as referred to in paragraph XXIII, is defined as a teacher with specific training and experience which will enable her, or him, to give helpful advice, counsel, and assistance to teachers, pupils, and parents of a school system as a constructive

means of improving the educational growth and development of children, solving pupil problems of retardation and maladjustment, adopting the program of studies to meet the needs of the children and the community, bringing resources outside of the school to classroom teachers, pupils, parents, and community, and in general acting as consultant to the entire staff and community in recognition of the educational needs.

I have enjoyed very much this past year working with the building committee and the board of education on your school.

Please feel free to contact me either through your school board or personally on any educational problems that you may have.

Respectfully submitted,

M. WAYNE BOWIE,

Superintendent

EXPLANATION OF SUPERINTENDENT'S SALARY

Section 5, Chapter 243, Laws of 1953 of the State of New Hampshire, requires that school district annual reports show the total amount paid to the superintendent as per the following quotation:

“REPORTS. Each superintendent of a supervisory union shall annually prepare a report showing the total salary paid to the superintendent, which report shall show in detail the amount derived from the per capita tax and the amount paid directly by each school district in the union.”

One-half of the supervisory union expenses is prorated among the several school districts of the union on the basis of adjusted valuation. One-half is prorated on the basis of average daily membership in the schools for the previous school year ending June 30th. The Superintendent of the Supervisory Union No. 48 during 1956-1957 received a salary of \$6150 which was made up as follows: \$2500 paid from the per capita tax and \$3650 prorated among the several school districts. Allowance of \$900 for travel within the union was also prorated as stated above.

The table below shows the portion of salary and travel charged to each school district.

	Salary	Travel
Campton	\$ 685.84	\$ 169.11
Dorchester	52.19	12.87
Plymouth	1,267.28	312.48
Rumney	525.24	129.51
Thornton	287.62	70.92
Wentworth	170.09	41.94
Woodstock	661.74	163.17
	<hr/>	
Totals	\$ 3,650.00	\$ 900.00

Superintendent's salary for 1956-57 based on the above figure is reconciled as follows: \$3650 paid by the various districts, plus \$2500 received from State per capita tax, equals \$6150 superintendent's basic salary. This, plus \$900 travel allowance as indicated above totals \$7050 — amount received from State Treasurer for salary and travel of the Superintendent of Schools.

PRINCIPAL'S REPORT TO THE RUMNEY SCHOOL BOARD

Hereby submitted is my first annual report as your Principal:

This has been a year of change for the schools of Rumney. The eighth grades came together in the new building January 28, 1957. The children have made a fine adjustment and are happy and proud of their school.

Standard Achievement Tests were given in May and October.

The regular work of the classroom has been supplemented by music under the direction of Mrs. Arline Wilson, and handwriting under Mr. Douglas Robinson.

The Hot Lunch Program, sponsored by the P.-T. A. has been most beneficial to the welfare of the children and is greatly appreciated. We wish to acknowledge the help of parents and friends in assisting Mrs. Cross.

Mr. Seth O'Shea joined our staff January first, and has a basketball program underway for the boys.

Your principal and teachers appreciate the honor and responsibility of serving you. Our best wishes for a good school year.

NELLIE M. ASHLEY,
Principal

THE MUSIC PROGRAM IN RUMNEY

This first year in the new school has aided in the improvement of the music program as well as the academic and social aspects of school life. Your music supervisor has been able to devote the time formerly used for travel from school to school to increased time in the classrooms. A new record player with good tone and ample volume without distortion has been available to all classrooms and the records can be easily obtained when needed.

A Chorus has been formed of sixth, seventh, and eighth grade students which performed for the first time at the Christmas program in December. We also have a small girls' ensemble which presented a program for the Parent-Teacher Association and selections for the Christmas program.

Activities in the classrooms center around singing, with particular emphasis on pitch and tone quality. Two and three part singing is developed in the fourth through eighth grades. Rhythms such as marching, skipping, running, etc., are enjoyed in the lower grades, while rhythms for the upper grades include singing games and folk dances. Playing rhythm instruments with songs and recorded music aids in rhythmic development, with the older children using more intricate rhythm patterns. Appreciation of fine music is developed through listening to good recordings for phrases, melody, form, rhythm, harmony, tempo, mood, instruments, etc.

The majority of students have shown improvement in some or all of these activities and are gaining a better understanding of music.

Respectfully submitted,

MRS. ARLINE WILSON,
Music Supervisor
